

REMARKS

This amendment corrects errors in the text. Entry is respectfully solicited.

This amendment is submitted prior to or concurrently with the payment of the issue fee and, therefore, no petition or fee is required. No new matter has been added.

Drawings:

Although the Notice of Allowability does not indicate that formal drawings are required, the applicants herewith submit formal drawings. The formal drawings delete text that was inadvertently entered with the current figures, for example, the text description under FIG. 36.

Priority Documents:

Enclosed herewith are certified copies of the priority documents EP98201695.8 filed 20 May 1998 and EP98202706.2 filed 12 August 1998.

Supplemental Declaration:

The applicants herewith submit a Supplemental Declaration, which corrects inadvertent errors in the filing dates of the priority documents. Two of the inventors are currently unavailable, therefore, an additional Supplemental Declaration will be submitted when it becomes available.

Respectfully submitted,

Allen C. Turner
